

St. John's Messenger

June, 2015

from Fr. John W. Morris, Rector

WELCOME THE REV. DR. BARBARA SERAS Interim Assistant Priest

I am pleased to announce that our Interim Assistant Priest is the Rev. Dr. Barbara Seras. Barbara is no stranger to St. John's. As a resident of Lancaster for the last eight years, Barbara has not only worshiped with us at St. John's. During my sabbatical leave she assisted Pastor Jennifer, celebrating and preaching on Sundays.

Barbara is a native of Central Pennsylvania. Born and raised in Carlisle, she was baptized as an infant in the Greek Orthodox Church. She attended Chatham College in Pittsburgh before entering Dickinson School of Law. While practicing law she was also a small business owner and operator. In 1990 she entered the Master of Divinity program at Seabury-Western Theological Seminary in Evanston, IL and following graduation was ordained to the priesthood in 1993.

Barbara's ministry experiences include being Program Director for Episcopal Social Ministries in the Diocese of Maryland where she coordinated summer day camps and youth employment program for inner city children in Baltimore. She served as Assistant to the Rector at Christ Church, Columbia, MD, as Rector of St. Mark's Church, Highland, MD, as Rector of St. Mary's Church, Woodlawn, MD, and Associate Rector for St. James, Lancaster. For two years Barbara also tested her vocation as a religious sister at the Episcopal convent, the Community of St. John Baptist in Mendham, NJ. The past eight years, Barbara has been the Coordinator for Province III of the Episcopal Church.

As Interim Assistant Priest at St. John's, Barbara's ministry will cover four areas. She will be assisting in the celebration of Word and Sacraments on Sundays, Wednesdays and other liturgical events. She will be visiting with homebound parishioners and with those who are hospitalized. She will share in the greeting and welcoming newcomers to St. John's. And she will be the weekly and monthly meetings that support these ministries.

Should you need or wish to contact Barbara directly, her phone number is 717-385-2667 and her email address is maxthecat.bjs@gmail.com.

We expect Barbara to be with us as Interim Assistant through the middle of July. During this time I will be interviewing candidates for the permanent position of Assistant to the Rector. This will be a full time position which will include and expand those areas assigned to the Interim plus leadership in the area of Christian Education and Formation for Children and Adults. I am being assisted in the search process by an Advisory Committee including Pam Loose, Vestry Education Steward; Sue Heilman, Vestry Steward for Pastoral Care; Mary Ellen Kilp, J2A Coordinator; and Karen DiPace, Church School Director.

I am grateful to have a priest with Barbara's breadth of depth and experience to assist our mission at St. John's during this time of transition. I hope you will join me in welcoming Barbara to St. John's Church.

THE REV. DR. BARBARA J. SERAS

“Welcome, Our New Interim Assistant Priest”

It was the summer of 1988. The 69th General Convention of the Episcopal Church convened in Detroit Michigan. It was my first of eight General Conventions (and still counting). General Convention is the governing body of The Episcopal Church that meets every three years. When in session, it is the largest legislative body in the world. Over 800 deputies in the House of Deputies* and several hundred bishops in the House of Bishops represent the dioceses of the United States and 16 sovereign nations. The Triennial of the Episcopal Church Women also meets. And with support staff, media and reporters, exhibitors and vendors, an army of volunteers and folks like myself coming as visitors and observers another several thousand attend.

In 88, I attended with a small group of youth and adults from my home parish. The cost was considerable and we spent months working together to raise funds to get us all there. Pooling resources and creativity we designed and sold Navy Blue T-Shirts with white lettering: “Home is Where the Church Is”. I cannot remember where we came up with the slogan but I remember it felt special. And the T-shirts were a hit in our parish and at Convention!

Two years later, I traveled the Holy Lands with St George’s College, Jerusalem and with Christians from around the world. During the month long pilgrimage, strangers became companions and friends. We spent one night in the Sinai desert, sleeping out under the stars. As I prepared to sleep, my eye caught that saying on my old well-worn shirt: “Home is where the Church is.” I chuckled but thought: In a way, I am “home.” That night I began the discovery of that statement’s significance for my life.

In the years that followed, I often experienced “home” in different places and among amazing people...some expected and others unawares. In a word, it is Community, in Greek, *koinonia*, a term of great depth and richness bespeaking commitment, involvement, sharing, and intimacy. Community that lasts a short interval or a life time, being connected in Community is a life line for me.

For Community honors and respects each other and above all Christ Jesus. Community is where each of us can be who we are, and become who we are called to be. It is that place where all of us can invite others to do the same.

In Community, I find my home. In Community, I find that peace and hope, reconciliation and healing from God alone. It may be other places. But I believe that as each of us commits to live with integrity, there is no better place to call home.

St. John’s has been “home” for me this past year. I have experienced the joy of vibrant worship in word, song and prayer. I now look forward to knowing each of you more fully and to share more completely in the life and ministry of this Community.

Yes, Home is where the Church is. And for this interim time, I am grateful and delighted to call St John’s home.

MDG CHALLENGES FOR JUNE, 2015

While officially the MDGs - UN Development Goals have been addressed over the last eight years, St. John's group is focused on how we as a parish can continue to work on making a positive impact in our community, in our world - I Am, We Are, One World -Here and There.

MDG Challenge for June 7th

Peace begins with a smile.+ Mother Teresa
Every Sunday, our ushers welcome each person at our door with a smile and a sense of genuine gladness for people's presence, whether they know them or they are visitors.
Let them be our examples as we meet God's children, wherever,
with a genuine smile and welcome in a sense of peace for God's world and ours.

MDG Challenge for June 14th

"Lord, make me an instrument of thy peace. Where there is hatred, let me sow love.+
Francis of Assisi
Keep learning, keep helping, keep offering prayers for those in our world
in need of our connection.
Take the time to continue to learn from our world map posted in the Parish Hall.

Father's Day

Longest Day of the Year

"Hope is being able to see that there is light despite all of the darkness.+
Desmond Tutu
On the longest day of the year, let the light of your vision and action
help to push any perception of darkness in the world further away.
Remember: I Am, We Are, One World - Here AND There!

MDG Challenge for June 28th

WE love, because HE first loved us.
Those who say, I love God, and hate any of their brothers or sisters, are *liars*;
for those who do not love a brother or sister whom they have seen,
cannot love God whom they have not seen. The commandment we have from Him is this:
those who love God MUST love their brothers and sisters also.

SAFE CHURCH

St. John's Is Working Together On "Safe Church"

St. John's is now four months into its participation in the "Safe Church" program – a year-long endeavor designed to help create the safest environment possible for our children. With guidance from Samaritan Counseling Center professionals, St. John's Safe Church committee is participating in monthly meetings with eight other local churches to learn ways to enhance the culture of safety within our parish and to write a comprehensive policy aimed at keeping our children safe.

St. John's Safe Church committee is working closely with clergy and staff, Vestry, Church School and J2A leaders and teachers, and others in the congregation to create a comprehensive safety policy and initiate conversations around child sexual abuse prevention. As it states in the first section of the draft policy, St. John's is participating in Safe Church because we have "a responsibility to ensure that children in our care grow and develop in a church environment that is safe and with a church family that empowers them to speak up if they believe something isn't right."

As part of our commitment to becoming a safe church, all volunteers who work with children and teens are required by law to submit background clearances. New volunteers must have forms submitted by this July. A volunteer will be available in the Parish Hall between services to assist with filling out all necessary forms.

If you are a survivor or impacted family member and would like resources or a safe space for talking, please reach out to our clergy. If you are a survivor and are comfortable offering suggestions for how to enhance Safe Church activities, please talk with a committee member – Cynthia Minnich, Cindy Morris, Mary Woolson, or me.

With all of us working together, we are strengthening our parish family – at church, and in our everyday lives.

Marylee Sauder

TREASURER'S REPORT

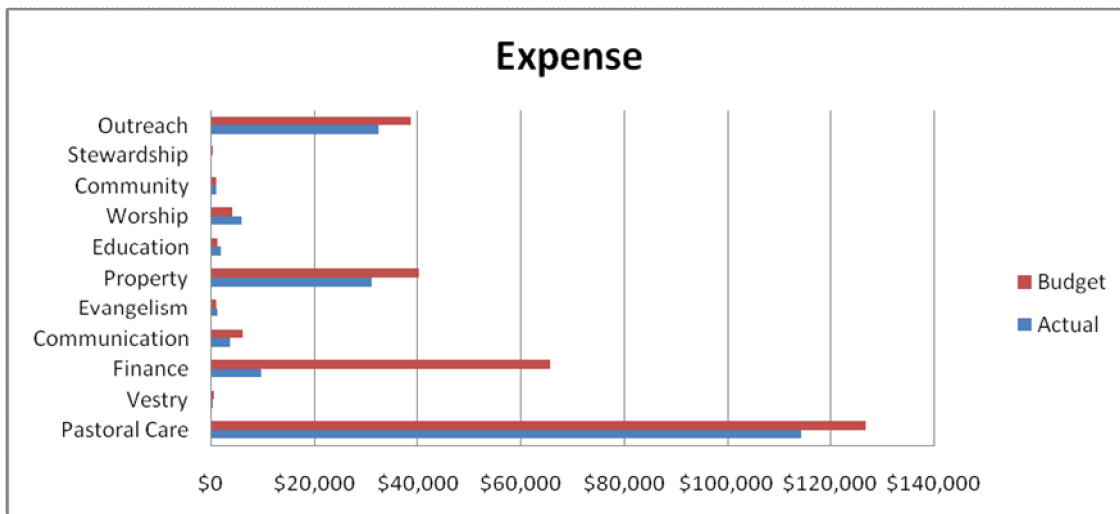

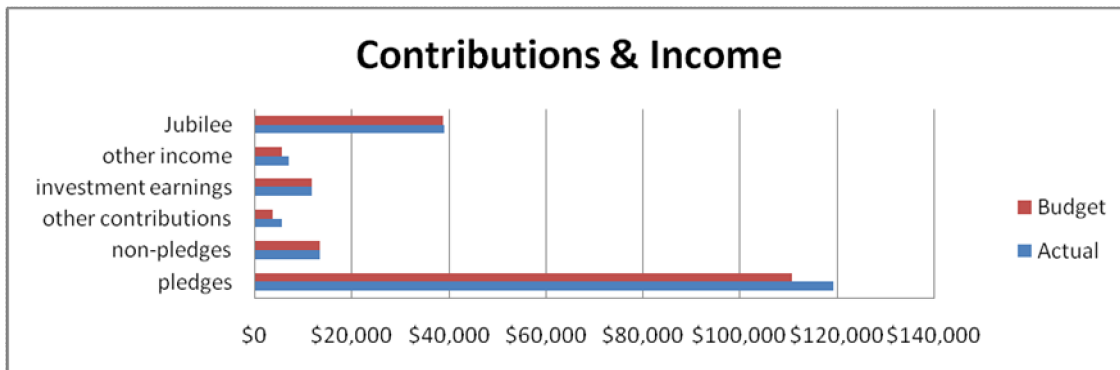

We are now officially one third through our fiscal year and nearing the infamous "summer doldrums". While our financial statement says we are no longer "in the black", it is only by a small amount and can easily be explained. First, April is the beginning of a new fiscal quarter. This is the time that we catch up on our Diocesan pledge. Also, we pay quarterly pension payments for our staff at the beginning of each quarter for the prior quarter. Finally, as we all are aware, April is the time for spring taxes. Even though we do not pay taxes on the church sanctuary building, we do pay taxes for the parish hall, office building and rental buildings. From the budget perspective, these expenses are spread evenly through the entire year, so it would appear that we are over budget for the year.

St. John's is grateful to have been remembered by Nancy Eckenrode and have received a gift of \$300,000 from her estate. The Finance Committee will make a recommendation to the Vestry on the use of this money. Regardless of how it is used, it will greatly benefit all of the ministries of the parish. I encourage everyone to prayerfully consider including St. John's in their estate planning so that we can continue to support and grow all of our ministries.

It has been suggested that we present the financial details in an alternative format that may be more easily understood. Over the new few months I will use different presentations of the data. Hopefully, there will be one that most folks like and understand. This month, I have included all of the Year-to-Date information in two bar charts, below.

As always, if you have any questions or concerns in the financial area, I encourage you to speak with any member of your Vestry, Finance Committee, or myself. Thank you for all of your support.

Steve Latshaw, Treasurer

SENIOR WARDEN

Wow! That is all I can say about the events at St John's on Sunday May 17th. What a day of mixed and heightened emotions as we said goodbye to Pastor Jennifer and her family. There was a special aura at the activity in the Parish Hall between services. What was said and more importantly, what was not said or could not be put into words, expressed intense, palpable emotions.

These feelings did not stop there. The love and caring carried over to the 10:15 a.m. service. The music was beyond description. The violin, choir, organ, bells and piano all combined to instill the presence of the Holy Spirit in the congregation. As Jennifer gave her farewell sermon, I reminisced and thought about what influence Jennifer had in my life. From asking Betty and me to help with J2A, to officiating at our wedding and later supporting me as a member of Vestry, Jennifer was always there and seemed to be able to do things right. It is difficult to say goodbye to someone so special that helped and touched us in so many positive ways.

Life at St John's will be different, however exciting opportunities and events are happening. We have an opportunity to get to welcome our new Interim Assistant Priest, The Rev. Dr. Barbara Seras. During this time, we all will have the chance to benefit from her talents and ministries. For the youth, we have Vacation Bible School "Camp Edge" coming up on July 12th-17th. Teens will be helping with VBS and have a Knobel's outing in the works for August. Two Eagle's Nest students are able to attend summer camp this year. The organic garden at Doug Brown's home is growing and the harvested fruits and vegetables will be offered at the Community Breakfast program. The Safe Church committee continues to work toward making St. John's a safe and protective place for our children. In addition, the results of the Feasibility-Readiness Report by Horizon Stewardship is to be considered.

Through all this time of new and exciting changes, let us remember to keep the joy and guidance of the Holy Spirit in us and with us at all times. Have a wonderful start to summer.

Peace,

Bob Murphy, Senior Warden

Dear Friends,

We can't begin to thank you enough for your incredible love and generosity. The beautiful framed picture of St. John's, the amazing Church School photo collage, the caritas letters inspired by our J2A teens, and the overwhelmingly generous gift of a purse over \$4,000—left us speechless. Your friendship and prayers have meant more than words can say. You will remain in our hearts and prayers for many years to come.

With deepest thanksgiving,

Pastor Jennifer, Bradley, Anna Gail, William, and Thomas

PROPERTY CORNER

Hello to all! The warm weather is finally here and Spring is bursting out all over!

The arborist was at St. John's a couple weeks ago and trimmed the trees along Chestnut Street and it looks great. It's too bad we can't get rid of the "Leaning Tree" that hangs over the street and will one day have to come down.

Not much to report except that Property Manager, Bill Gross, is spending more time on paperwork issues than anything else it seems with court dates for stolen copper downspouts and insurance compliance meetings and rental property issues. Oh! and Sunday the Air Conditioning needed some special help, so Bill was taking care of that immediately following the 10:15 a.m. service. Thanks for all you do Mr. Gross.

I would still like to have a property clean-out time scheduled. It seems that late summer or early fall would be a good time. STRONG people will be needed and would someone go through the property with me to see what could be given to Restoration.

We always need people like YOU for this Property Committee. We meet the first Monday of the month. Call me with thoughts.

Blessings!

Deb Smith,
Vestry Steward for Property

“LEMONADE TIME!”

Volunteers are needed to serve cold lemonade after the second service starting June 7. It's the easiest request I've ever made. The lemonade is premixed in the refrigerator, plastic cups are provided, as are pretzels and (usually ice). The only task is to pour the lemonade, set out a munchie (either yours or what's available in the kitchen), remake the lemonade for next week, and wipe off the counter! The sign-up sheet is on the clipboard at the kitchen "window". Please offer! See **Sue Martin** with questions. Thank you!

PROPERTY MANAGER'S REPORT

It is good to see the first quarter financials showing our property expenses remaining below budget. This committee places much thought and consideration into all of the improvements and maintenance that extend into our many ministries. With the use of our facilities increasing, it is becoming harder to meet the demands that maintenance places on any facility. We are closely approaching a use capacity where some of our space (BH & APR) will require more frequent cleanings. Increased HVAC use requires more frequent filter changes and increased component replacement costs. Our parking lot, while just recoated and relined last fall, is showing signs of the rough winter. Maintenance to areas, like the parking lot, is being placed on hold, as we await the decisions made from a very encouraging feasibility study to our courtyard accessibility project. In the meantime, the ramp, its door and auditorium windows will show signs of maintenance needs, as well.

Increased security will no doubt be a benefit as we embark on our Safe Church Initiative. Our current method of keyed access may be more appropriately replaced with a system providing for a higher level of control and accountability. This system should also allow tracking of building use, which has challenged our planning efforts for space use.

The \$5,000 isn't going as far as it use to with our annual re-pointing or mortar repair of the brick joints, especially after the winters we've been having. While the spot treatment has been effective at maintaining our joints, it has resulted in a myriad of different mortar shades on the same wall. The steeple is one of those areas identified and should not be subject to a multitude of colors in order to maintain the aesthetic beauty of our church. Such work requires a lift and the costs of obtaining a lift for multiple procedures is considerable when compared to getting it all repaired at once. When considering the additional costs (\$3,000) and the additional color, we may want to consider having at least the steeple done all at one time (\$20,000). As we move forward, having entire spans done at one time will only enhance the aesthetic value of our buildings.

While speaking about values, considerable time was spent discussing our insurance policy with our Church Insurance Group's account representative. Our representative wanted to be sure we had adequate coverage for our exposures. While we had spent a considerable amount of time reviewing our policies (umbrella & BH contents values), our dismay was again expressed regarding the policy language (or lack thereof) as it applies to exclusions. The rep wanted to be sure we had sufficient coverage for exterior property (or property outside of the walls). Attention was then drawn to our compressors, as the limit for exterior property was \$50,000. She stated that she would look into the coverage to see if such equipment would be covered under the building and contents, but wanted us to send pictures of this equipment for their records. After completing this task, they responded that this equipment is handled, as part of the building coverage.

As you have heard, it has been a very busy month. This work has come at the expense of other matters that were on the agenda, such as the fire alarm system plan and training and the after action reports (AAR). You may recall that the AAR's were established as a means of documenting problems we have encountered and the solutions we have chosen to address them. In lieu of an operations manual, one would simply perform a word (or phrase) search for an issue that comes up and the word document would highlight all of the areas addressing the specific issue. It was thought this method would be a more productive way of avoiding re-inventing the wheel when problems come up, especially infrequently.

We recently noticed evergreen bushes planted right up against the All Purpose Room wall. While an understanding was in place for the planting of vegetation in this area, it did not include its placement directly against our building or in front of our windows. Both Phil Becker and Aaron Spicher concurred with the assessment and recommended a dialogue with our neighbor, especially while the plantings were still fresh and more transplantable. Our neighbors have since moved these plants, after my meeting with them.

Thanks to Phil Becker, Andy Carroll, Janice Henry, Cynthia Minnich, and Deb Smith for the support you have not only offered to me, but to the many ministries here at St. John's. Submitted by, *Bill Gross*

JUBILEE MINISTRIES

COMMUNITY BREAKFAST (Contact: Sue Martin) **SATURDAY, JUNE 20**—A breakfast of pancakes, sausage, eggs, juice, cereal, and pastries will be served to the downtown community at First Reformed United Church of Christ, 40 East Orange Street, Lancaster. Volunteers are often needed to help prepare and serve the breakfast (7:30 a.m. until 11:00 a.m.).

FOOD PANTRY - (Contact: Debbie Carter & Bill Cater)

Non-perishable food donations can be delivered to the church office or given to the Ushers on Sunday. Monetary contributions are also welcomed for buying food to fill gaps in food donations. Please write **FOOD PANTRY** in the Memo line on your check. Food bags/boxes are organized for families and single people and are distributed from our church office on Tuesdays and Thursdays to those in need.

GROCERY CARDS (Contact: Cynthia Minnich)

Total sales for April gave only \$337 to Jubilee. This was an okay month, probably because we only had 3 sales days. We had no card sales on Easter since that is our busiest Sunday of the year. Let's make May a better sales month! Step up and buy grocery cards everyone. Show Jubilee that we really care!

Our regular buyers and irregular buyers are doing well! Now, the rest of you need to participate. Everyone has to eat something. Let's make purchasing grocery cards the **in** thing to do!

★ **MUSSER'S MARKETS HAS BEEN ADDED TO OUR PROGRAM!!!** (\$100 cards can be purchased.)

Don't Forget: It's easier to use a grocery card at the store than to peel out cash or write a check. Your using one of our cards gives 5% of its value to our Jubilee missions.

Remember that a \$100 card can be used as often as it takes to use it up. You don't have to spend it all at one time.

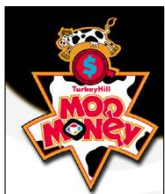

NOTE: YOU ARE NOT LOSING ANYTHING. YOU ARE GETTING FULL VALUE FOR YOUR CARD. THE STORE SELLS CARDS TO US AT A 5% DISCOUNT.

Participating Stores: Darrenkamp's, Giant, John Herr's, Musser's Markets, Oregon Dairy, Stauffer's, and Weis

MARTHA'S MINISTRY (Contact: Jeannie Zeller)

Come and join us in the **Parish Hall** at St. John's on **Tuesday afternoons** from **2:00-4:00 p.m.** as we share fellowship and ideas!

Summertime.... and the knitting is easy! Please help us with our ministry of creating hats, scarves, prayer shawls and more. You may choose to knit, crochet or sew items for the needy in our community. We provide the yarn, if necessary, and you provide your time. We invite you to join us on any Tuesday, either in the parish hall from 2-4 PM or at the home of Deb Smith on Tuesday evenings at 7 PM. The fellowship is healing. If you aren't able to attend, please consider making some things as you travel or watch TV.

ROBERT FULTON SCHOOL PARTNERSHIP - If you shop at a Turkey Hill store and purchase any of their milk items, **BE SURE TO SAVE THE "MOO" MONEY BOTTLE CAPS** and bring them to church on Sundays. There is a collection container at the Eagle's Nest area of the Parish Hall. We're also collecting Box Tops for Education, Printer Cartridges, and Campbell's Soup Labels.

JUBILEE MINISTRIES (CONTINUED...)

from Doug Brown, Jubilee Coordinator

When I took over as Jubilee coordinator, I had no idea what it meant to be a Jubilee Center nor what a Jubilee Ministry was!

What Is A Jubilee Ministry And A Jubilee Center?

A Jubilee Ministry is a part of a Jubilee Ministry Center, the way the Episcopal Church addresses domestic poverty by empowering the poor and oppressed in their communities by providing direct services, such as food, shelter, healthcare, and by advocating for human rights

History Of The Jubilee Ministries

We were designated as a Jubilee Center in 1988 under Fr. Pete Greenfield. St. John's was the 2nd Jubilee parish in the diocese and one of the first in the country. We have integrated Advocacy, Empowerment, Evangelism, and Outreach into our church life as we strive to improve the lives of underprivileged people.

So What Does It Mean To Be A Jubilee Ministry?

It has become the core of our church and to remove it would be nothing short of disastrous. We have about 100 of our adult members engaged in at least one Jubilee ministry and many of our members serve in multiple ministries. Fr. John believes that we are the largest Jubilee ministry in the diocese. We have external collaborations with other churches (First Reformed and ALERT which involves 10 churches), Sauder's Eggs (donate 30 dozen eggs a month for 15 years for comm. breakfast), Fulton School, and even Starbucks as they give 60 lbs. of coffee grounds for the garden weekly.

What Does St. John's Need To Do To Maintain Its Jubilee Status?

According to the Episcopal Church's application form we must meet the following criteria: be an Episcopal church, must work among and with poor and oppressed people, our mission and ministry must be rooted in worship, and must include several programs (including at least on human rights advocacy program and one human services program). Once designated we must do the following: demonstrate the operation of its programs to others as models, maintain how-to files, act as a resource center and funnel for information, and be subject to annual review.

Our Newest Ministry

I am extremely proud of our newest ministry since it fills a vital need of the poor and oppressed in our community, the organic garden ministry. Believe it or not we live in a fresh food desert. Where can you get fresh produce in Lancaster? Southern Market? Grocery Stores? Have you seen the price of organic produce lately? My family is well off and we would go broke trying to buy organic produce. How is someone who is struggling financially going to afford any? The answer is you don't. These people are forced to buy what they can afford, which is the worst possible food for them to eat, processed food. This is where the garden comes in. We have set out to provide fresh, organic produce to those who desperately need it.

The Idea Of The Church Garden

The church garden had its beginnings at the Mearø farm, which was operated by the Martinø several decades ago. My family has decided to continue the tradition with a new wrinkle. Instead of sending the food to the Council of Churches, we started sending the produce to church to be handed out on Tuesdays and Thursdays when our food pantry is in operation. This was working well to a degree, but the number of people coming to our doors was inconsistent. We wanted to help more people. During our community breakfast at First Reformed several of us came up with a great idea. Why not hand out the produce at breakfast to mitigate the not-so-healthy pastries that we give out? This turned into our church setting up several tables in the First Reformed courtyard where everyone going to breakfast would have to walk past it not once but twice. We put anything that is in season out on the tables and stood back as we didn't know what to expect the first time we did it. About 20 minutes into breakfast Dave Martin came downstairs looking for plastic bags as he ran out. Debbie Carter ran home and brought all that she had which was barely enough. I don't remember how much I brought, but I do know that there was nothing left. We were cleaned out on day one.

If you would like to see pictures of the tables you can see one in the brochure or you can contact Jill Gross for some. We continued handing out the produce throughout the summer and fall providing well over 1/2 ton of organic produce with at least 600 lbs of white potatoes alone. One thing that we learned was that looks meant a lot to the people whom we served. Here is the list of produce that we gave out: onions, garlic, lettuce, spinach, swiss chard, kale, white and red potatoes, carrots, parsnips, radishes, sweet corn, zucchini, cucumbers, green beans, peas, sugar snap peas, several types of tomatoes, peppers, and eggplants.

We will be removing kale, swiss chard, lettuce, spinach, and some heirloom tomatoes from the garden this year, but adding (fingers crossed) strawberries, red raspberries, black raspberries, winter squash, and tomatoes that look like the ones you would buy in the store.

In closing from James 2:14-18:

What good is it, my brothers, if someone says he has faith but does not have works? Can that faith save him? If a brother or sister is poorly clothed and lacking in daily food, and one of you says to them, "Go in peace, be warmed and filled," without giving them the things needed for the body, what good is that? So also faith by itself, if it does not have works, is dead. But someone will say, "You have faith and I have works." Show me your faith apart from your works, and I will show you my faith by my works.

Church Garden

This year has proved to be a challenging one for the church garden. I have some upgrading equipment for the maintenance of the garden, but the weather has not been cooperating. A cold start to spring has pushed back the planting and now the lack of rain has brought everything but the weeds to a standstill. I am hopeful that the weather will change soon so that the garden starts hopping.

I will need help on the following Fridays so that we can harvest whatever is in season to bring to the community breakfast at First Reformed: June 19, July 17, August 14, September 18, and possibly October 16. Harvesting the day before the breakfast will ensure the freshest produce will be making its way into the hands of those who need it most. I am hopeful that we will have berries to share as it is hard to beat fresh strawberries, black raspberries, and red raspberries.

I have a bee hive at the garden, thanks to Dave Martin, and the bees will be arriving in mid-May. The honeybees will help boost the production of the garden and the berries by up to 50%. If you are allergic to bees please be prepared if you choose to help in the garden. The garden is located at Angela and my house about 12 miles south of Lancaster in the middle of Amish country. We will need help weeding, hoeing, planting, and harvesting. This ministry positively impacts the diets of well over 100 people a month. If you would like to be a part of the church garden please let me know by emailing me at csse9905@yahoo.com or by calling me at 717-288-2289.

VOYAGERS

Trip to Bangor Church

On Sunday, April 6, several St John's parishioners set out to visit Bangor Church in Churchtown, Pa. which is approximately a 30 minute drive from Lancaster along Route 23 through beautiful countryside. We arrived to find the Senior Warden, Bob Brown, and The Rev. Canon Mark A. Scheneman, Priest-In-Charge, waiting to give us a tour of this historic church that was founded in 1722.

After attending the Holy Eucharist service, on what was "Good Shepherd Sunday", we were treated to a delicious coffee hour before returning home. Everyone appreciated the wonderful hospitality, inspiring service, and good fellowship. Father Mark reminded us of their May 17 "Rogation Sunday" service. During the years that The Rev. Canon Heber W. Becker was Rector at St. John's, the choir and congregation would visit Bangor Church on "Rogation Sunday" - a very fond memory for many!

MDG GOALS UPDATE

***“But to all who received him, who believed in his name,
he gave power to become children of God,
who were born, not of blood or of the will of the flesh or of the will of man,
but of God” ---John 1:12***

Today we received the last sermon offered to us from Mother Jennifer, as our Assistant Rector. For almost nine years (I have only had the pleasure of the last 4) she has shared her life, faith, compassion, passions and love with us. She also spoke today about the love she received from our faithful community at St. John's and, the family she found in our Parish. That family included the staff she worked with daily. None of what goes on in our community, happens without the efforts, dedication, talents, knowledge and most importantly the love of everyone in the community. We are one as a community because we are all God's children.

That being said, we are constantly challenged to look beyond our walls, our town, state and country. Our community of God's children has no borders. And, as with our St. John's community, when one part hurts, the other parts respond with help, support and love for healing.

This is fully exemplified in recent weeks by the response we gave to help our neighbors in Nepal. Their community physically lay in rubble. It will take the resources and love from the World's community to help and support them in their healing. Choosing what resources, where they are needed and how to get them there, there lies the challenge. This is the same kind of challenge, not only for a specific incident like an earthquake; followed by another but, also for establishing a global partnership. Discerning who, where, what and how we at St. John's will build a global partnership. The MDG committee continues the task of researching and questioning which outreach ministry will be the focus of our support. It is our goal to recommend a partnership that will excite and involve the Parish at all levels.

We will be meeting next on June 25, 2015 to review answers to specific questions we have for our 3 prospective ministries, World Bicycle Relief, Rafiki and Echo. There will not be a June 4, 2015 meeting. In the meantime the world map will remain in the parish hall. It is a visual reminder of the love for the larger world community we have at St. John's. Also, as promised we have a book list to share this month. There are recommendations from several readers, of books we invite you to add to your summer reading.

Again, we will not meet the 1st Thursday in June as is our regular meeting day. We are scheduled to meet again on 6/25/15 at 7pm. In the meantime, please continue to read the MDG challenges and incorporate them in to your week as well as, find a new inspirational read on our new reading list. Together, we can make our world community a better place for all God's children.

Keynote and Symposium: Presenter the Rt. Rev. Robert Wright

The Right Rev. Robert C. Wright is the 10th bishop of the Episcopal Diocese of Atlanta. At the time of his election in June 2012, he had served 10 years as rector of St. Paul's Episcopal Church in Atlanta. Prior to that, he was a school chaplain and on the staff of the Cathedral of St. John the Divine, New York City.

In commemoration of the birthday of Dr. Martin Luther King, he prayed with a City of Atlanta sanitation crew before taking an early morning shift on the back of a city garbage truck.

Bishop Wright will be our keynote speaker on combating institutional racism, and will lead us in a symposium about the importance of having deep conversations about our spirituality in relationship to the issues of justice and stewardship.

Please go to the Diocesan website to register for classes and a hotel room. As a member of the Anti-racism Task Force for Province III and Eliminating Racism Task Force for the Diocese of Central PA, I'll be taking part in workshops, so you'll have a ride to State College.

“ANGEL CAMP TREE” IN THE SUMMERTIME!

Two 9 year old girls from our Eagle's Nest program will be attending Catoctin Quaker Camp in Thurmont, Maryland for 2 weeks (June 27 to July 11). This is a wonderful new experience opportunity made possible through scholarship funds. As brand new campers, there are lots of clothing and equipment needs, as you can imagine. A small version of our Angel Tree will be your way of supporting these needs. Starting on May 31st with the final collection due June 14th, tags will be available with specific needs and sizes. These are items such as shorts, shirts, swim suits and towels, underwear and socks, etc. As they will be used in a rugged, care-free, camp setting, nothing needs to be new! Used clothes and equipment, and hand-me-downs will be perfect, and much appreciated. We are working in partnership with Fulton School who is providing some of the items also. The "Angel Camp Tree" will be set up in the Parish Hall at the Eagle's Nest bulletin board and table. Questions? Contact Sue Martin.

A NEW KING OF EVANGELISM

by Julie Gittens

*All of them were filled with the Holy Spirit and began to speak in other tongues
as the Spirit enabled them. Acts 2:4*

Starting this June, the St. John's Evangelism team is going to introduce you to "evangelism" in a new way, a good way; a way Episcopalians will actually like.

Wait a minute, evangelism in a good way; there's a good way to evangelize?

Yes, believe it or not, there is.

In fact, I know this to be true because I saw the Rev. Oral Roberts, the ultimate Evangelist, give a sermon one summer in Central Park and the joy of seeing the Rev. Oral Roberts was his opening act, the one and only Johnny Cash (with his wife, June) singing Negro and Bluegrass spirituals and playing the acoustic guitar. That my friends was evangelism at best. Now, Johnny Cash is sharing his love of God with people in Heaven and another guitarist, BB King, recently started playing with him.

I recently asked a student at the Stevenson School for Ministry what he thought about evangelism. He said, "Evangelism is being a friend of God. Evangelism is sharing your friendship with God with other people." After hearing Michael's description of evangelism, a light went off in my head. Evangelism is something St. John has listed, along with Advocacy, Empowerment, and Outreach, as a part of our Jubilee Ministries. It's simply the one we never brag about using.

Well, now we can start bragging because starting June 14th, the Evangelism team will be sharing inspirational, loving, funny, and thought provoking statements from Christians of all denominations with you in our weekly bulletin. We'd like you to read these statements and share them with your co-workers, neighbors, friends and strangers.

I'm going to leave you here with words of fellow Episcopalian, Jerry Garcia:

*There is a road, no simple highway
Between the dawn and the dark of night
And if you go, no one may follow
That path is for your steps alone*
