A MESSAGE FROM THE RECTOR

“Dignified or not, believable or not, ours is a God perpetually on bended knee, doing everything it takes to convince stubborn and petulant children that they are seen and loved. It is no more beneath God to speak to us using poetry, proverb, letters, and legend than it is for a mother to read storybooks to her daughter at bedtime. This is who God is. This is what God does.” - Rachel Held Evans

Dear St. John's family,

A little over two years ago, I had the privilege of breaking bread with and learning from Rachel Held Evans. Rachel, an author and columnist, joined us at a clergy conference in the Diocese of Virginia and shared with us her love for engaging scripture, the beauty and mystery of the sacraments, and the role the Episcopal church played in her relationship with God and the church. Rachel's willingness to wrestle with scripture and her love for the living word was contagious. I left those three days refreshed and excited to tackle scripture in a new way.

When Rachel's new book, *Inspired*, was released I snagged a copy as fast as I could and I wasn't disappointed. Once again, Rachel had used her creativity, research, and love for God's people to crack open scripture in ways I hadn't experienced before. Unfortunately, *Inspired*, would be the last book Rachel would write. At the young age of 37, Rachel passed away following a brief illness. The world lost a bright light the day Rachel was reunited with her maker, however her legacy lives on through her words.

As we begin a new adventure this fall, I am excited to announce our first Adult Forum Series. Using Rachel's book, *Inspired*, we will explore a number of stories in scripture and engage the stories of our salvation in new and meaningful ways! This first series will take place on **Sunday mornings from 9:15AM-10:00AM** in the back of the Parish Hall and will run for four weeks (every Sunday in October). If you would like to check out *Inspired* before forum begins you can find it on Amazon or at Barnes and Nobles.

This is the first of many Adult Forum Series. If you are unable to make Sunday morning between services, know there will be other offerings throughout the week/weekends in the near future! I look forward to being INSPIRED with you!

I remain faithfully yours,

Amanda

WARDEN’S MESSAGE—by Tom Bond

In case you haven’t noticed, the cornerstone removed to accommodate the renovation has been returned to its original home! Opened more than 2 years ago, we rededicated it last November but had to wait for warmer weather to put it back in place. This was finally accomplished just after Labor Day.

The stone has been altered to show both the original date of the building and the date of the renovation. Before returning it to its place, we added a few items to reflect who we are today. In a hundred years they will be able to glimpse into an updated history of the parish which includes the photos of our congregations taken last November.

THE VOYAGERS

The Voyagers are excited to announce that the October program will welcome back **The Rev. Canon Mark Scheneman**, Priest-in-Charge of Bangor Church. Many of you will remember Fr. Scheneman from a talk he gave on “The Temples: As Solomon and Jesus Knew Them” a few years ago. This time he will present a PowerPoint program on the culture, history, and theology of the Celtic peoples, **“Recovering and Claiming Celtic Spirituality: the living legacy of Celtic Christianity.”** He may also include some music on the Highland Small Shuttle Pipes! Please join us, everybody, Saturday morning, October 26, from 10:00 until 11:30 a.m. in the Parish Hall, for what promises to be a great time. Coffee and light refreshments will be served.

BLESSING OF THE ANIMALS

Friday, October 4, 2019
Starting at 6:00 p.m.

St. John's will again hold a "Blessing of the Animals" in honor of St. Francis of Assisi, patron saint of the environment and animals, on Friday, October 4, starting at 6:00 p.m. The service will be offered outdoors in the new courtyard and parking lot.

You are invited to bring your animal companions for a short service and blessing followed by refreshments and opportunities to visit with special local non-profit organizations providing rescue, support or service training to benefit our community. Lancaster City's Mounted and K-9 units will also be on hand for the event. Free-will donations will be accepted for our non-profit participants.

We ask that you bring your special pet leashed or in a cage or carrier for their comfort and safety. Feel free to bring a picture of your pet for blessing if you feel that bringing him or her to the event would be too stressful. Toy pets are welcome, too!

This is the perfect event for inviting your family, friends and neighbors to participate. All are welcome.

Animals have always been a part of our human experience. They teach us so much about faithfulness, friendship, love, forgiveness and acceptance. In addition, their unique and keen senses are now being employed to provide us with all kinds of service and support as we better understand their ability to defend, search, detect health issues, and sense out our emotional support needs. They act as our eyes, ears, hands and feet and the list goes on and on. St. Francis recognized the great blessing and value of animals and now we continue that tradition, recognizing that we are only at the beginning of recognizing their true worth and how much they bless our lives.

Come and share in a service of celebration and thanksgiving for our pets.

Our youth started the calendar year with many changes to a new and exciting year. This year we will be having all youth grades 7 – 12 meeting together. Each week we will be doing something different. The youth will be helping to lead the Sunday school, doing service in the Community and for others, have discussions in class one week, and meeting to have breakfast together another week. We commissioned our leaders, John Knouse, Dawn and Mike Williams, to lead the youth. We enjoyed an ice cream social our first day back to classes.

Our Church school commissioned our teachers: Jen Hreben, Janelle Stone, Pam Loose, Joe Way, April Way, Sue Dodge, Jen Gustafsen, and Katie Mausolf. Thank you for your service to our children! We want to welcome all of our youngsters back to church school and a special welcome to our new friends this year!

JUBILEE MINISTRIES

Since 1988, St. John's has been designated by the Executive Council of the Episcopal Church as a Center for Jubilee Ministry because of the "direct and dynamic link between our theology and our ethics," demonstrated in numerous outreach and neighborhood ministries. PROPERTY CORNER

Fall is upon us and things have been pretty busy around Church. The expansion tank for the Church's air conditioner was replaced, following repairs for a leaking pressure relief valve. This system is also in need of freon, which is scheduled for the beginning of the next cooling season.

We also marked about the 12th repair to our new elevator. This unit was non-functioning over another weekend, making it unavailable for Sunday services. At this point repairs are being performed on a trial and error basis, where two circuit boards were replaced. We'll hope and pray for the best. Apologies are extended to those who rely on the elevator to navigate through our Church campus. Signage will also be available to direct those around the elevator when it is non-functioning. The technician indicated that he had replaced about \$1,000 worth of parts today, which didn't include his labor rate. So, it's could we acquired the maintenance plan.

Fluorescent fixtures throughout our campus are being converted to LED as an electricity cost savings measure. While fixtures' ballasts have started to fail, it only makes sense for the conversion to reduce hazardous waste (ballasts) and the more costly use of fluorescent tubes. Failing fixtures were prioritized and followed by high use (energy) areas, such as the Becker House, Choir Room and Sunday School level of the Parish House.

And, while talking electrical energy use, we were asked to seek competitive bids from electrical suppliers. Our current rates appear to be \$0.10400/kWh. By this time next month our supplier rates should be about half of what they were last month.

Hopefully, all of you have noticed our date stone/time capsule back in place by the Atrium entrance. It was put in place by A+ Masonry, who has also given us a bid to repair the Becker House window wells along Concord Street. As these windows do not provide any function, They will be replacing the concrete with brick pavers to match the rest of the sidewalk to reduce these tripping hazards, as well.

Life Safety inspections for September were unremarkable. Plans still call for the adding of windows to office doors to be compliant with Safe Church protocol. Double cylinder locks that had been installed in anticipation of the required security that would be needed were removed for safety concerns.

As already mentioned, Fall is upon us and the committee has considered the need and time for our Fall Clean-up. We decided that it will be Sunday afternoon on November 17th for exterior items and Saturday December 7th for interior items. We look forward to everyone's help those days.

We are always looking for members to join our committee, whether you can make the meetings on the first Tuesday of each month or provide input with your technical expertise. Speaking of expertise, we have appreciated Andy Carroll's contributions to our committee over his many years of service on the committee. Andy will be transitioning to a technical consultant for our committee, helping us with matters involving heating and air conditioning. Thanks Andy! The committee welcomes Ben Webber to our committee. Returning to St. John's, Ben is the Township Engineer for Lancaster Township and has recently worked on refunding our water and Sewer fees with his work on our rain gardens and storm water inlets. Welcome aboard Ben!

Your Property Committee: Kathy Kyper, Jeannie Zeller, Andy Carroll, Jon Forrester, Bill Gross, Jane Lee, Dave Martin, Cynthia Minnich, Shirley Shaheen, Bruce Waskowicz and Ben Webber.

Bell Choir News

For years, the St. John's Bell Choir has enhanced our worship experiences through the gift of bell ringing. With changing schedules, fewer participants, and a new program year upon us, the bell choir will be taking a sabbatical for the remainder of the fall and into the winter.

We would love to hear your thoughts/feedback regarding this ministry and how we might live into our call to worship through music and song in the future. Please feel free to contact Paul or Amanda+ with any suggestions, thoughts, or input you may have!

We also want to thank Marilyn Winfield, our former bell choir director, for her passion and expertise in leading the St. John's Bell Choir. We are grateful for the time Marilyn has contributed, the gifts she has shared, and the love she extended.

Stay tuned for more information regarding the bells in the coming months!
