A MESSAGE FROM THE RECTOR

Dear St. John's,

Let's go back to the beginning. The very beginning. I'm talking Genesis, the creation story, and the way in which God breathed life into the world. We know the story. The first day, the second day, and on and on, until day number 7. Genesis 2:2-3 reads, "On the sixth day God completed all the work that he had done, and on the seventh day God rested. God blessed the seventh day and made it holy, because on it God rested from all the work of creation."

God rested – let that sink in for a moment. The image of God kicking back in a meadow taking a nap or going for a stroll and skipping rocks into the ocean makes my heart sing. In a world that measures one's success by one's busyness, I find great comfort in the call to rest. It's not just a suggestion, but a commandment. Ranking #4 on the list of the ten commandments, we hear, "Remember the sabbath day, keep it holy." In other words, rest. If God can, shouldn't we?

Friends, we have been through a lot. I know I say that often because it's true. For the first time in a long time, we are finally able to gather with loved ones and break bread with friends and neighbors. We can celebrate weddings, graduations, and other milestones. We can gather to lay loved ones to rest and attend family reunions. And we can (and should) rest.

Over the past year and a half, I have lost sight of the importance of resting. I have fallen short on remembering the sabbath day and keeping it holy and I am guessing I'm not the only one. Rest is as equally as important as the work we do. One without the other creates an imbalance. When we rest, we allow our hearts and minds to catch up to our hands and feet and vice versa. When we rest, we create space for God to speak and heal and breathe life into us in new ways.

This month, I am reintroducing myself to the sabbath over a three-week period (I have some catching up to do)! From July 11-August 4, I'm going on vacation to reconnect with God, my family and friends, and to lay in a hammock (while imagining God relaxing in the one next to me).

Other business being reported on:

Financially we had a particularly good month. Pledge income was above average. Monthly expenses were low.

Vestry members will be contacting parishioners that we do not recall seeing lately. We want everyone to feel that it is safe to come back.

Our Rector is taking an extremely well-earned vacation from July 11 to August 4. During that time, The Rev. Matt MacDougall will be available. Matt+ has proven himself to be a very capable priest who will be able to handle any issues you may feel need the Rector's attention. Let us all give Amanda+ and her family the downtime they need.

SENIOR WARDEN UPDATES

I hope everyone is well and safe, and enjoying what is starting to feel like a “normal” summer.

I wanted to provide you with a quick update on the Vestry’s discussions about the properties St. John’s owns at 209 and 211 Concord Street.

First, I want to thank everyone who participated in our Parish meeting about the Concord Street properties. Your comments, insights and thoughts were very helpful. This information was extremely helpful in the Vestry’s discussion as to the best disposition of these two properties.

Based on our Vestry meeting on Sunday June 20th, I can provide the following updates:

- The Vestry voted to keep the property at 209 Concord Street and continue renting it with the current tenant.
- The Vestry decided to continue our discernment and fact-finding mission with regard to the property at 211 Concord Street. We will also be awaiting the results of a Lancaster City Housing Inspection of 211 Concord Street that will occur on Tuesday, June 29th. Our plan is to make a final decision on the 211 Concord Street property at our August Vestry meeting.
- In the interim, we have approved certain remedial work related to the black mold and other items in 211 Concord Street.
- We also approved tree removal work in the backyards of both the 209 and 211 units. This relates to trees that are encroaching on the Church.

If you have any questions, please don’t hesitate to call or email me (717-917-1790 and webb.cook@yahoo.com).

Thanks, and I hope you all enjoy the rest of your summer.

STREAM TEAM

Lights, Camera, Action!

Since March of last year, St. John's Youtube channel has been viewed nearly 20,000 times and streamed over 5,600 hours worth of content. During the pandemic, online streaming was our only option to keep our community together. As we begin the transition back to in-person services, St. John's will continue to live stream, but we need your help!

To continue this exciting and vital part of our ministry, St. John's is urgently in need of volunteers! If you can click a mouse button, you have the skills to join our STREAM TEAM! If you are up to the challenge, we will provide hands-on training either before or after services. Please reach out to Joe Way at way@mac.com or 717-333-9130 if you need more information. I look forward to hearing from you!

WORSHIP SERVICES

AT

St. John's

SUNDAY AT 8:00 A.M.

HOLY EUCHARIST RITE I

Our 8:00 A.M. service is for our early risers. Using the Rite I liturgy from the Book of Common Prayer, this service is contemplative in nature and invites one to pause and connect with God in the midst of a busy world. Throughout the service scripture is read, prayers offered, and Eucharist shared. The Rite I liturgy connects us to our roots and those who have gone before us through timeless prayers and the holy sacrament.

SUNDAY AT 10:00 A.M.

HOLY EUCHARIST RITE II

Our Rite II service is filled with vibrant music, sacred scripture, and the breaking of bread. This service is filled with the joyful sound of children rustling in the pews, anthems sung to the glory of God, and the heartfelt prayers of those gathered. With acolytes and processions, communal singing, and a mission to love and serve our neighbors, this service invites one to participate in the coming of the Kingdom.

WEDNESDAY AT 12:05 P.M.

HEALING SERVICE WITH HOLY EUCHARIST

Our Wednesday healing service is an invitation to lay before God the people and situations in need of healing. This service, using the Book of Common Prayer and other resources, is grounded in healing prayers, anointing with holy oil, and the sharing of the sacrament. The service is short enough to accommodate lunch breaks yet full enough to transform hearts.

All are welcome to any and all of our worship services. St. John's is an open and affirming congregation with a place at the table for you.

GLOBAL PARTNERSHIP CHALLENGE

I AM, WE ARE...ONE WORLD: HERE, THERE, EVERYWHERE

“Think of the love that the Father has lavished on us, by letting us be called God’s children; and that is what we are.” - **1 John 3:1**

We are ALL God’s children - learning, exploring, getting to know each other regardless of any differences. How boring would it be if we were all the same, but then He doesn’t create us that way. Celebrate and get to know your brothers and sisters.

July 4th - 4th of July

As you watch the fireworks in the sky on this day, may we explode with joy and be surprised at the differences that together are beautiful and know that can happen for God’s.

July 11th

“All things are connected like the blood that unites us. We do not weave the web of life, we are merely a strand in it. Whatever we do to the web, we do to ourselves.” - Chief Seattle

Think of the smiles, the heart felt thanks from those we have connected with at the Food Pantry, the Community Breakfast, the Soles4Souls project, Eagles Nest, Betty Finney AIDS garden, Angel Tree, Martha’s Ministry, almost ourselves and those.

July 18th: Nelson Mandela Day

“If you want to make peace with your enemy, you have to work with your enemy. Then he/she becomes your partner.”- Nelson Mandela
Listen to the words coming from the start of our Eucharist - “ALL are welcomed at this table”
Let that be who each of us are to our neighbors.

July 25th

“Peace between countries must rest on the solid foundation of love between individuals.” - Gandhi
Regardless of what we witness about any of those in higher office, we are one community, one nation, one world, and ALL one God’s children.

BEE PROJECT UPDATE!

Thanks to the contributions of many, we were able to rehome over 10 gallon buckets worth of bees! Now that a large quantity of bees have been rehomed, we will wait and see if the remaining bees will leave for greener pastures. In the fall, we hope to fill in any remaining holes in order to prevent other critters from joining us in worship. Stay tuned for updates. And thank to everyone who contributed to our "Bee Project!"

DEACON'S MESSAGE

I am very grateful to The Reverend Kevin Barron, transitional, Deacon for his educational and uplifting reflection in this month's Deacon Message.

The term intersectionality is defined by sociologist as “The inequalities produced by simultaneous and intertwined statuses and how that influences the life course of an individual or group. In my case, as an African American male who is also gay, the combination of these two identities function together to produce experiences that are not realized by only being African American or only being gay. It’s that in between space that makes you a subset of both the African American and LGBTQ communities. I am a member and have a have a kinship with both. Yet, depending upon the set of circumstances, sometimes I experience the commonality with one

community more than the other. And although I am a member of both communities; I still feel the exclusion of one of those communities because of my membership in the other.

The month of June both of my communities have cause to celebrate. For my African American brothers and sisters, June was the month in which Juneteenth, the day commemorating the emancipation of my ancestors, resides. For my brothers, sisters, and non-binary companions in in LGBTQ community, June is PRIDE month, the month my ancestors stood tall and fought back in the face of oppression. One celebration joins us together by race. The other joins us together by shared sexuality.

Although I experience struggles in both communities, the struggles are different. As a gay man, I may just as easily experience discrimination based upon whom I love within the African American community as racism in the LGBTQ community. My shared identity with both fails to shield me from these things.

As an African American man who is gay, I my realization of kinship in these two communities happened at different times during my social and physical development. My first realization that I was different based upon my race happened when I was five years of age. I was born into a family, a community, of shared experience based upon the color of skin. In many ways, being black in the world is defining.

Conversely, my first realization that I was different based upon my sexuality happened after I reached puberty. While I didn’t have a name for what I was experiencing, I knew that this aspect about myself set me apart from other boys. While the other boys talked about their desire for sexual involvement and entered relationships with girls, these things held no interest to me.

Yet, society tells us that these aspects were defining for what it meant to be in the world as a man. It was the natural order of things. Additionally, within the African American community, it tapped into the hypermasculinity that is a product of slavery that sought to question if not strip the masculinity from my male ancestors. Even today, navigating through a society that believes opposite sex relationships are the norm and therefore upheld as the example of being in the world, can prove to be more challenging as a member of a race of men still having to prove their mettle as men. However, I may navigate the waters of my shared identity in these communities, I hold closely to my heart the words found in Psalm 139. The psalmist, speaking to God reminds each of that we are who we are meant to be. “For it was you who formed my inward parts; you knit me together in my mother's womb. I praise you, for I am fearfully and wonderfully made.” I say joyously to myself, Happy PRIDE and Happy Juneteenth.

INTRODUCING ST. JOHN'S DIRECTOR OF MUSIC MINISTRIES, DOUGLAS BEACH

Pictured above (with his siblings Mollie and Gabriel), you can find your new Director of Music: Douglas Montgomery Beach. Douglas is a native of Bel Air, Maryland. He began taking piano lessons against his own will at age 5 from his father. Douglas moved on to study with the Director of the Maryland Conservatory of Music. A graduate of New Covenant Christian School, Douglas led a student choir to the ACDA competition held at Lancaster Bible College. After high school, he studied music at Messiah College, where he formed a barbershop quartet called "The Grantham Gents", who released a CD upon graduation.

Douglas enjoyed singing in the concert choir at Messiah, under the direction of Linda Tedford. He is a proud member of the Barbershop Harmony Society, and sings with the Hershey Chapter, Parkside Harmony, and went on to win a 3rd place international medal with the chorus in 2019 in Orlando. He also sings with a barbershop quartet called Taylor Made--you can find recordings of both ensembles on YouTube and Facebook!

Douglas has served as the Director of Music at St John's Hain's United Church of Christ and Yorkshire United Methodist Church, and is thrilled to be a part of the St John's Episcopal Church community! Douglas enjoys riding his motorcycle, and would love to grab a beer with YOU at any local bar--just ask!

A PRAYER FOR CHURCH MUSICIANS AND ARTIST

BCP 819

O God, whom saints and angels delight to worship in heaven: Be ever present with your servants who seek through art and music to perfect the praises offered by your people on earth; and grant to them even now glimpses of your beauty, and make them worthy at length to behold it unveiled for evermore; through Jesus Christ our Lord. Amen.

FINANCIAL SUMMARY

After soft March and April, pledge income rebounded in May resulting in a \$6,427 operating surplus. This is a very positive result given the typical slow down in giving as we approach summer season. Pledge income YTD is \$14,020 behind 2020 actual, but \$24,676 ahead of 2019. In aggregate, May and YTD spending are running slightly below budget.

A PRAYER FOR OUR COUNTRY

BCP 820

Almighty God, who hast given us this good land for our heritage: We humbly beseech thee that we may always prove ourselves a people mindful of thy favor and glad to do thy will. Bless our land with honorable industry, sound learning, and pure manners. Save us from violence, discord, and confusion; from pride and arrogance, and from every evil way. Defend our liberties, and fashion into one united people the multitudes brought hither out of many kindreds and tongues. Endue with the spirit of wisdom those to whom in thy Name we entrust the authority of government, that there may be justice and peace at home, and that, through obedience to thy law, we may show forth thy praise among the nations of the earth. In the time of prosperity, fill our hearts with thankfulness, and in the day of trouble, suffer not our trust in thee to fail; all which we ask through Jesus Christ our Lord. Amen.

CAPITAL CAMPAIGN NEWS

We're Almost There!

Last month we focused on how the power of the Holy Spirit has worked through us during this six-year capital campaign -- sometimes with explosive and spectacular gifts and other times with a slow, consistent infusion of support. As we come closer to retiring our debt, it is clear that the Holy Spirit has moved each generous member of this congregation.

This chart shows that we are \$6,117 from our goal to make St. John's debt free. Will we reach success with a few explosive gifts? A whole lot of smaller ones? A combination of the two? Will yours be the one that puts us over the top? The Holy Spirit is walking beside each of us to help us discern what role we will play.

Not Equal Shares but Equal Sacrifice

A special message to those with outstanding pledges: Paying the balance on your pledges by October will allow St. John's to have the cash on hand to retire our debt without temporarily borrowing from our endowment funds.

And to all:

THANK YOU! THANK YOU! THANK YOU!

CONGRATULATIONS TO AMELIA DISSINGER!

She graduated from Air Force basic training on June 24th. We ask God to continue to watch over her and offer her courage, strength, and wisdom as she serves our country.

Back to School LUNCHEON

FOR TEACHERS AND STAFF
AT FULTON ELEMENTARY SCHOOL

Friday, August 20, 2021
12:00PM

Here's one more thing that makes us feel "normal" again. On Friday, August 20, the Fulton Elementary teachers and staff will have lunch in our parish hall to celebrate the back to school event. A tradition has been to support teachers with school supplies for their classrooms. It is always much appreciated and raises some excitement, not only with them but with St. John's. Your support is requested by donating ANY school supplies you can manage to bring in. Choices should be made with the teachers in mind - items to make their classroom life easier.

Suggestions are: good scissors, staplers, calculators, sharpie markers, dry erase markers, mini white boards, Kleenex, Clorox wipes, spiral notebooks of different sizes, stickers, post it notes. Good items for students are crayons, pencils, pencil sharpeners, extra erasers, rulers, etc.

There are approximately 20-25 classroom teachers who can use our support (and don't forget the art teacher!). Bring items to the parish hall any time in the next six weeks. Contact Sue Martin with questions.
